Description: **A chance given by the vintage, this wine is a limited selection of the most beautiful new barrique barrels meant for the wines of Kopar Cuvée, Cabernet Franc Selection and Solus Merlot. Complex nose and its intensity is gradually increasing. Eucalyptus, minerality, black chocolate and after some breathing rich fruits, mainly black and red berries. Rich fruitiness on the palate as well, it fills every corner of the mouth. Youthful tannins and nice acidity support the flavours resulting nice balance and rich, full palate. Minerality and toasty notes lead through the long lasting flavour profile of this wine. Complex, great wine and with some bottle ageing it will give even more pleasure.**
