Description

This 100% Kékfrankos wine comes from the top (500m) of our Grand Cru Nagy Eged vineyard. The dense color is followed with concentrated aromas of nutmeg, allspice, black cherry and tobacco. These aromas are continued on the palate by flavors of plum, black cherry and plain chocolate, all tied together with balanced acids and silky tannins. Our Grand Bleu rewards us with a long and very pleasant finish. This wine will age beautifully in the bottle for many years.
