Technology: **Fermentation in stainless steel and in first use light, medium and medium plus oak barrels.**

Quality level: **PREMIUM**

Temperature: **12 C°**

Food pairing: **CHEESES, SALMON**

Description: **The refreshing character of the wine is nicely combined with the flavours of Furmint grape, and it is backed by the minerality of Kővágó vineyard in Mád. Due to new oak fermentation and maturation the palate shows some subtle smokiness, the body of Furmint grape along with its vibrant citrus character. Full bodied wine with great length – and some mineral-salty touch in the finish.**

Available quantity: **8.000 BOTTLES**

Ex-cellar price : **4.950 HUF / 15.7 EUROS**
