Description: **About this wine: A fresh, spirited wine that grips you at the first encounter and in which crisp green apples and ripe lemons appear. A variety that can take you by storm, olaszrizling makes no attempt to disguise itself, a sip bringing with it a little bitterness, acerbic fruits and some herbs. Within it can be found at once a full feeling of sweetness coupled with the crunchy acidity of fresh fruits. It loses nothing of this if it receives a little soda, indeed turned into a wine and soda fröccs it immediately becomes complete, more refreshing and brighter. The sense of alcohol comes at the end of a medium draught; after all, your olaszrizling will not disappear without trace.**
