Food pairing: **Ideal pair of fish dishes and fresh salads**

Description:

Intense, yellow colour with a nose typical of the grape variety: cheerful notes of grape flower and elderflower plus apricot and pear. The palate is equally fresh with the bouquet. The light body is in balance with the alcohol content, and its vivaciousness is provided by the vibrant acids. These acids are characterized by fresh flavours reminding us of citrus fruits and green apples, which are nicely added to the notes discovered on the nose. A truly refreshing wine.

Available quantity: **N/A Bottles**

Retail price : **1.600 HUF / 5–6 EUROS**
